Please contact Customer Service for assistance before placing your orders.

The pneumatic and electric height adjustable options require a higher level of product understanding, installation and product knowledge. **Caution should be taken at all times when assembling adjustable height products.** There are warning labels and tags on items that require close attention. Please follow all assembly instructions and warnings when unpacking and assembling adjustable height productions. Miss-use or improper handling of product will result in voiding of Valley Design warranty and possible injury to assembler/end-user.   Valley Design does not hold responsibility for any damage to product due to miss-use, lack of attention to instructions.
